Name of the Tester	Test case #	Type of Test	Description of Test	Visualization Name	Result	Feedback /Comments
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	Tech Diversity: Race	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	Tech Diversity: Race	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	Tech Diversity: Race	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	Tech Diversity: Race	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	Tech Diversity: Race	passed	working as expected
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	Tech Diversity: Gender	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	Tech Diversity: Gender	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	Tech Diversity: Gender	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	Tech Diversity: Gender	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	Tech Diversity: Gender	passed	working as expected
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	Pay gap by job: 2017	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	Pay gap by job: 2017	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	Pay gap by job: 2017	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	Pay gap by job: 2017	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	Pay gap by job: 2017	passed	working as expected
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	Pay gap: 1997-2017	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	Pay gap: 1997-2017	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	Pay gap: 1997-2017	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	Pay gap: 1997-2017	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	Pay gap: 1997-2017	passed	working as expected
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	Climate Change	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	Climate Change	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	Climate Change	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	Climate Change	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	Climate Change	passed	working as expected
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	oogle Income and Research Expenditure: 2013-202	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	oogle Income and Research Expenditure: 2013-202	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	oogle Income and Research Expenditure: 2013-202	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	oogle Income and Research Expenditure: 2013-202	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	oogle Income and Research Expenditure: 2013-202	passed	working as expected
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	Reddit : Wallstreetbets Feb 2022	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	Reddit : Wallstreetbets Feb 2022	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	Reddit : Wallstreetbets Feb 2022	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	Reddit : Wallstreetbets Feb 2022	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	Reddit : Wallstreetbets Feb 2022	passed	working as expected
Anastasia	1	UI Navigation	User was able to Navigate to the visualization ?	Covid-19 Map: 2022	passed	working as expected
Anastasia	2	UI Navigation	All buttons are clickable ?	Covid-19 Map: 2022	passed	working as expected
Anastasia	3	UI Visual Design	Easy to understand Design ?	Covid-19 Map: 2022	passed	working as expected
Anastasia	4	UI Visual Design	All the elements in the UI are visible to eye?	Covid-19 Map: 2022	passed	working as expected
Anastasia	5	UI Performance	Any performance issue Experienced	Covid-19 Map: 2022	Failed	Checkbox takes too long to register input
Sean	1	UI Navigation	User was able to Navigate to the visualization ?	Tech Diversity: Race	passed	working as expected
Sean	2	UI Navigation	All buttons are clickable ?	Tech Diversity: Race	passed	working as expected
Sean	3	UI Visual Design	Easy to understand Design ?	Tech Diversity: Race	passed	working as expected
Sean	4	UI Visual Design	All the elements in the UI are visible to eye?	Tech Diversity: Race	passed	working as expected
Sean	5	UI Performance	Any performance issue Experienced	Tech Diversity: Race	passed	working as expected
Sean	1	UI Navigation	User was able to Navigate to the visualization ?	Tech Diversity: Gender	passed	working as expected

Sean	2	UI Navigation	All buttons are clickable ?	Tech Diversity: Gender	passed	working as expected
Sean	3	UI Visual Design	Easy to understand Design ?	Tech Diversity: Gender	passed	working as expected
